Dear Emery Steuber,

I am excited to be applying for the position of team technician. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for line support for the machining cells and is the next level of escalation after the cell coordinator for manufacturing issues related to safety and process quality.

Please consider my experience and qualifications for this position:

- To carry out the filling and unfilling (Free from explosives FFE) of energetic materials to the appropriate processes and procedures
- A good level of interpersonal and communication skills and be willing to develop the new skills necessary to lead improvement activity within a multi functional team
- A good level of PC skills
- ONC in Electronic an Electrical engineering as a minimum
- IPC trained and accredited
- Presents simple technical reports, both written and oral
- Can do basic calculations to analyze designs and solve problems
- Able to work with simple test equipment

Thank you for taking your time to review my application.

Sincerely,

Spencer Reichert
