

Team Technician Cover Letter

64465 Blick GardenLake Yessenia, CA 46781-6548

Dear Dallas Schneider,

In response to your job posting for team technician, I am including this letter and my resume for your review.

In the previous role, I was responsible for technical oversight and develop and manage people would be desirable but not essential.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- PDR vehicles as requested
- Knowledge of dent repair and scratch removal of new-age vehicles
- Clean Driving Record with current GA license
- Experience with preparing and shipping international shipments
- Strong working knowledge of animal husbandry practices and procedures for common laboratory animal species
- Strong working knowledge of commonly utilized mechanical cage washing equipment (e.g., mechanical rack and tunnel washers, bedding dump stations, water bottle filling stations, automated bedding dispensers,) and cage wash area operations and process management
- Certification by the American Association for Laboratory Animal Science (AALAS) at the Laboratory Animal Technician (LAT) level within 24 months of start date
- An electronic, mechanical or engineering background is desirable but not essential

Thank you for taking your time to review my application.

Sincerely,

Skyler O'Keefe
