

# Team Technician Cover Letter

280 Abel Meadow South Arnold, OR 81489

**Dear Greer Ullrich,**

I submit this application to express my sincere interest in the team technician position.

In the previous role, I was responsible for training as necessary for faculty and staff in the use of specialized instrumentation and scientific procedures, including safety aspects.

Please consider my qualifications and experience:

- Complies with all policies and procedures to ensure that safety and infection control measures are not compromised
- Willingness to learn new skills and utilize them appropriately
- Good demonstrable experience of mechanical repair and maintenance/handyman skills to include general plumbing, carpentry and some electrical works
- A forklift certification is desirable
- Supervision and training experience preferred
- FCC Certificate, GROL (General Radiotelephone Operator License) or AET (Aircraft Electronics Technician) Certificate - preferred
- Delegated inspector qualified - preferred
- RII qualification for various operators - preferred

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Haven Metz
