

# Tech Project Manager Cover Letter

8540 Retha IslandsLake Evelina, OK 54481-7008

**Dear Reese Corwin,**

In response to your job posting for tech project manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for thought leadership around MarTech innovation by researching and understanding the rapidly changing MarTech and AdTech industry.

Please consider my experience and qualifications for this position:

- Experience in complex systems and application migrations with a regional/global context is an advantage
- Technical competency in Integration, Messaging, Unix, Java and web technologies is an advantage
- Experience in the Banking industry is preferred
- Proven track record delivering large complicated projects and programs
- Experience working with and managing software product vendors
- Experience work with technology platform teams onshore and offshore
- Experience with digital channel application technology delivery
- Demonstrated Experience with Agile delivery

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Rowan Bailey
