

Technical Analyst Cover Letter

408 Ritchie LocksLake Kenyettaland, WI 30766-8609

Dear Haven Balistreri,

Please consider me for the technical analyst opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for configuration & support for new/existing server hardware, network print management, peripherals, and applications on Windows Server platforms.

My experience is an excellent fit for the list of requirements in this job:

- Follow-up on needed improvements and changes needed
- Identify additional needs for medical review
- Provide input to the iDARTs IT group
- Experience with PLI, Cobol, SAS, Focus, Cognos and Oracle OEDQ
- Travel industry experience preferable
- Honesty and integrity essential
- Work well as part of a small team
- ASR experience desirable

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Phoenix Leffler
