Please consider my qualifications and experience:

- Extensive knowledge of 2D& 3D computer graphics software, game engines and platforms
- Knowledge of data safety options
- Knowledge of coding language
- Maya or 3ds Max knowledge and experience including Python, MEL, or MaxScript and Photoshop
- Extensive 3dsMax knowledge and experience including MaxScript
- Advanced experience with tools and pipeline creation and optimization to facilitate artistic production
- Highly collaborative with excellent technical and problem solving skills
- Portfolio and / or reel demonstrating relevant technical skills preferred

I really appreciate you taking the time to review my application for the position of technical artist.

Sincerely,

Spencer Kovacek
