

# Technical Artist Cover Letter

58620 Karl Centers  
South Nickberg, NE 12621

**Dear Frankie Moen,**

I am excited to be applying for the position of technical artist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for hands-on support for art and engineering team in asset performance/validation.

Please consider my qualifications and experience:

- Experience with tools and pipeline creation to facilitate artistic production
- Strong technical background, detail oriented, and efficient
- Strong communication, interpersonal, organizational, and collaboration skills across multiple disciplines - this role works closely with developers, designers, and artists
- Agile, flexible, and comfortable dealing with the ambiguity of new design concept work
- Proficient with 3D Asset modeling, texturing, and UV creation
- Coding and/or script authoring
- Strong knowledge of character kinematics, deformations, and topology
- High proficiency in character skinning, physics, and technical workflows

**Thank you for taking your time to review my application.**

Sincerely,

Campbell Padberg
