Technical Illustrator Cover Letter

967 Pfeffer SquaresSouth Chongchester, NM 27847

Dear Armani Dickinson,

In response to your job posting for technical illustrator, I am including this letter and my resume for your review.

In my previous role, I was responsible for technical support to ensure all products meet the industry standards and each export countries legal requirements.

My experience is an excellent fit for the list of requirements in this job:

- Experience with CADRA design software preferred
- Familiarity with PTC CREO Pro Engineer design software preferred
- Experience in illustrating manufacturing products preferred
- Auto-trol Tech Illustrator
- SAP Visual Enterprise Author (VEA)
- Highly skilled with Microsoft Office, Oracle, and XML authoring/document development
- Requires journeyman/professional-level familiarity with Adobe Framemaker
- Requires practical illustration experience composing/editing vector graphics

Thank you for taking your time to review my application.

Sincerely,

Zion Schimmel
