

Technical Research Assistant Cover Letter

189 Kautzer Expressway South Regan, AK 67435-3403

Dear Shiloh Rempel,

Please consider me for the technical research assistant opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for support in the research laboratory which may include experiment and procedures on specimens (human or animal).

Please consider my qualifications and experience:

- Excellent organizational skills to prioritize tasks and work within a team to manage multiple projects in the Center
- Familiar with methods used in biomedical research, including aspects of experimental design and incorporation of controls
- Excellent computer skills with word processing, presentation and spreadsheet programs
- Excellent oral and written command of English
- Aseptic technique dealing with tissue culture
- Interested in regenerative medicine and stem cell science
- Able to troubleshoot and bring a high level of initiative and flexibility
- Diploma/NITEC/Higher NITEC in Business Administration/ Science/Engineering fields

Thank you for your time and consideration.

Sincerely,

Frankie Cummings
