

Technical Sales Cover Letter

360 Shaun Street Bufordshire, LA 70712-8973

Dear Gray Weissnat,

In response to your job posting for technical sales, I am including this letter and my resume for your review.

Previously, I was responsible for company-wide leadership in software development technological vision and strategy, ensuring solutions, products, and projects lead the industry while maximizing profitability.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience in Customer Relationship Management (CRM) software
- Proficient in MS Office Excel, Word, and Outlook software
- Punctual, well organized and can work independently
- Track record of over-achieving metrics
- Enthusiastic and Customer Service driven
- Thoroughly enjoy daily contact with the Sales Managers and Customer base
- Excellent data accuracy
- Proactive and results-orientated with a positive outlook and willingness to take initiative

Thank you for taking your time to review my application.

Sincerely,

Shiloh Rogahn
