

Technical Support Assistant Cover Letter

268 Luetta CourtsWest Kellye, NY 45634-1477

Dear Sutton Pfeffer,

I am excited to be applying for the position of technical support assistant. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for administration support to where required and update tracking systems and documentation trackers on electronic or other systems.

Please consider my qualifications and experience:

- Experience of 2D / 3D CAD systems
- Experience in a product test environment
- Experience using scripting languages such as Python or R
- Expert level proficiency in database and presentation tools (SQL, Excel, Access, PowerPoint)
- Cyber Security Experience including CISSP, preferably in Financial Services
- Knowledge of FFIEC, NIST, PCI, others
- Will consider recent college graduate with strong interest in healthcare technology
- Possess outgoing and positive personality, especially during challenging user experiences and/or system disruptions

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Rory Rau
