Technical Support Executive Cover Letter

477 Carey OvalLestown, AL 30226-8108

Dear Armani Dare,

Please consider me for the technical support executive opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for guidance and assists in the setup and configuration of highly complex server and appliances based environments including hardware setup, operating system configurations.

My experience is an excellent fit for the list of requirements in this job:

- Access Admin - Applying to application access
- Desktop Support - 1st, 2nd and 3rd level support for Windows
- Mobile Support - Iphones, Android and Ipads
- Project Work - RSA Software replacement
- Event Support - Planning AV and WIFI requirements
- IRM / PEX - Vendor relations
- Consultants - Hardware and software
- Asset Recovery - Recovery old devices

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Onyx Wolf
