

Technical Support Executive Cover Letter

822 Weimann Prairie East Rocio, MS 89739-1333

Dear Brooklyn Hammes,

I submit this application to express my sincere interest in the technical support executive position.

Previously, I was responsible for an account for them to access Service Now portal, PC & local server as local administrator.

Please consider my experience and qualifications for this position:

- Knowledge of a variety of client and server software environments and tools VB, Access, .NET and SQL Server or Java technologies like Java programming language, JSP, EJB and Postgres Server
- Have a leadership Mindset
- Experience in Ship Shore operations (Preferably a Certified Shore officer)
- Able to lead a Team and a good speaker
- Experience as an Authorized-Competent Schedule Waste person
- Business level English and Mandarin language requirement
- Helpdesk - Password resets
- BSL - Ordering hardware

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Frankie Muller
