

Technician Cover Letter

536 Kyoko Circle
North Valview, WY 00108

Dear Haven O'Kon,

Please consider me for the technician opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for clinical treatments, pre and post operative care, administer drugs and fluids, collect body fluids, vaccinate and euthanize animals.

My experience is an excellent fit for the list of requirements in this job:

- Has worked in a manufacturing environment
- Preferred vacuum systems and or helium leak detectors experience
- Can read and follow directions in English
- Background and drug screen
- A minimum of an HNC/HND in a relevant scientific discipline
- Fiber handling, electronics assembly, splicing, component level assembly
- N2 Matric or Higher (preferred)
- Minimum level electrical skills

Thank you for considering me to become a member of your team.

Sincerely,

Cameron Friesen
