

# Technician Cover Letter

481 Anabel LocksPort Fleta, TN 31515

**Dear Shae Von,**

I submit this application to express my sincere interest in the technician position.

Previously, I was responsible for technical input for management involving capital asset purchases and expenses for projects and/or strategic activities involving up to \$1M (capital/expense/revenue potentials).

Please consider my experience and qualifications for this position:

- A self-starter, positive "can-do" attitude, detail oriented
- A successful team member who can make a contribution
- Sets high quality standards and demonstrates a sense of urgency
- A minimum of NVQ level 3 in Vehicle Maintenance and Repair
- Previous diagnostic experience would be an advantage and an understanding of automotive systems and functionalities
- Be able to lift 80 pounds and climb 40-foot ladders
- Be able to meet the 300 lb weight restrictions of our ladders (including approximately 25 lbs in a tool belt) to comply with OSHA and our Company safety standards
- Pass a pre-employment drug test, criminal background check and MVR (driving record) check

**I really appreciate you taking the time to review my application for the position of technician.**

Sincerely,

Charlie Medhurst
