

# Technician Cover Letter

527 Olson Turnpike Mooreport, WY 93705

**Dear Jordan Bernier,**

I submit this application to express my sincere interest in the technician position.

In my previous role, I was responsible for clinical treatments, administer drugs and fluids, collect body fluids, vaccinate and euthanize animals.

Please consider my experience and qualifications for this position:

- Be able to work a flexible schedule that includes weekends or evenings
- City and Guilds, NVQ 3 or equivalent
- Completed an apprenticeship in HGV industry or equivalent experience
- Previous Renault experience is essential
- Computer literacy especially MS Word and Excel
- Supervision and job knowledge
- Works well as part of a team and independently
- Efficient data entry

**I really appreciate you taking the time to review my application for the position of technician.**

Sincerely,

Corey Beier
