

Technology Strategy Manager Cover Letter

85220 Jana MeadowsStammshire, KS 11794-4445

Dear Brooklyn Konopelski,

I would like to submit my application for the technology strategy manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for project leadership, coordination and architectural guidance for the customer's Digital Workspace, Enterprise Mobility and major VMware initiatives.

Please consider my qualifications and experience:

- Manage initiatives/national projects
- Act as key contact for xLoS and Firm initiatives and serves as point of contact, disseminating information to
- Acting as the 'voice of technology' requires hands-on experience of Software Engineering
- Data analysis expertise – Experience analysing and visualising data and using it to drive decision making
- Strategic thinking & expertise in leading complex change programs
- Passion for shaping and delivering talent programs
- Leading a team to understand key business objectives and solutions including development of presentation and deliverable structures and dividing work into manageable pieces
- Proposing technology solutions

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Onyx Muller
