

Telecommunications Project Manager Cover Letter

2365 Langworth CommonElmerton, NH 08661

Dear Jordan Prosacco,

I am excited to be applying for the position of telecommunications project manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for value proposition for cloud-based managed services offerings.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with multi-site rollouts strongly preferred
- BICSI RCDD certification Preferred
- Able to obtain a DoD Top Secret clearance
- Proficient with MS Office Products (Word, Excel, PowerPoint, Project and Visio)
- Proficient with AutoCAD LT, Blue Beam
- Working familiarity with Corning, Commscope/Systimax, Ortronics, Panduit, Leviton products
- Personal computer (PC), and Plotter/Printer
- OTDR, optical power meter

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Justice Ratke
