

Telecommunications Project Manager Cover Letter

2880 Lynch PointRobbypnport, RI 81265

Dear Dylan Gerlach,

I submit this application to express my sincere interest in the telecommunications project manager position.

Previously, I was responsible for consulting services to Global Voice Services on new initiatives of varying complexity and provide analytical due diligence for acquisition and new business opportunities.

Please consider my experience and qualifications for this position:

- Fusion splicer
- Field connectorization kits and other optical cable installation and test equipment
- IBWave Unity
- Develop a proficiency with network design related software
- Network mapping software, Google Earth
- Develop a proficiency with custom Network Management Systems such as NDS, GE small world
- Knowledge of client's or similar fiber optic products and installation practices
- This is NOT an IT Project Manager, NOT a Network Admin/Engineer, and NOT a Engineering/Manufacturing Project Manager

Thank you for taking your time to review my application.

Sincerely,

Landry Pollich
