

Temporary Technician Cover Letter

37258 Gerhold CreekNorth Jeffereyberg, MO 91962

Dear Ryan Olson,

Please consider me for the temporary technician opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for hands on operation of Data Center equipment and processes in accordance with procedures and policies.

Please consider my qualifications and experience:

- Basic MS Office skills with a focus on MS Excel
- Test Equipment knowledge
- Basic knowledge of RF components (power splitters, directional couplers, RF amplifiers, downconverters, upconverters and etc)
- Experience with support of system engineers in developing methods to integrate systems
- Experience with development of testing and cabling methods (includes building and assembling cable assemblies, document cable assemblies/test fixtures and research materials with vendors for material selection)
- AC power integration experience
- Basic electro-mechanical and tool knowledge
- MS Office (Word, Excel & Visio) knowledge

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Tyler Steuber
