48665 Xiomara ExtensionGranthaven, DE 93461-3307

**Dear Onyx Kuhn,**

In response to your job posting for test consultant, I am including this letter and my resume for your review.

In my previous role, I was responsible for consulting services to project teams and management on implementation of test data management, tools and techniques.

My experience is an excellent fit for the list of requirements in this job:

- Wide experience in structured test methodologies, processes and tools
- Knowledge of automation technologies like HP UFT, Rational (RTW, RFT), Selenium, SOAP UI, Cucumber, Jenkins, Junit
- HP LoadRunner / Performance Center
- Experience with multi-user, complex software applications preferred
- Experience implementing CSG products
- Experience with USAF air operations procedures, aircrew training, and evaluation procedures
- Knowledge of E-4B NAOC operations plans, crew structure, and command relationships
- Technology Control Qualified with Instructor or Evaluator Certifications

**Thank you for taking your time to review my application.**

Sincerely,

River Simonis
