

Test Consultant Cover Letter

6795 Schaden CentersEast Rolandahaven, NE 24271

Dear Skyler Osinski,

I am excited to be applying for the position of test consultant. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for consulting services to project teams and management on implementation of testing methodology, tools and techniques.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of E-4B NAOC operation plans, crew structure, and command relationships
- Tech Control Qualification, including Instructor or Evaluator Certifications
- CGI interfaces
- ERP within a Utilities environment
- Oracle - Financials, Utilities, MWM, Fusion
- Working knowledge of basic signal processing techniques
- Expertise in ElectroMagnetic technology
- Experience with USAF aircraft maintenance procedures, training, and evaluation procedures

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Morgan Bauch
