

# Test-Integration Cover Letter

4968 Dannie Light Jacobsfurt, NC 72288-4509

**Dear Royal Smitham,**

Please consider me for the test-integration opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for account and system administration for UNIX and Windows platforms.

My experience is an excellent fit for the list of requirements in this job:

- Certified Test Conductor (CTC)
- Familiar with VE-CAMS
- MSc/BSc in computer Science or the equivalent level of knowledge
- Knowledge in Java, Linux, Docker (familiar with bash-scripts, curl commands etc), Networks knowledge, TCP/IP protocols
- Knowledge of the Agile ways of working
- Experience in working with testing the integration of different components in complex E2E systems
- Couchbase knowledge/experience
- Experience or knowledge of tools like Git, Jenkins, SoapUI, JIRA

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Rory Batz
