

Test Manager Cover Letter

55057 Strosin PointsEast Asuncion, AZ 64604-1066

Dear Indigo Bernhard,

Please consider me for the test manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for expertise to local teams for quality assurance matters, problem solving, and efficient utilization of the tools within the Quality Management System.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- ALM, Quality Center, manual functional testing, SQL, QTP, strong communication skills
- Familiar with Danish market and regulations
- Experience in test management of General Insurance
- Experience in Automation tools and concepts
- Identifying and being responsive to the needs and wishes of the clients and customers
- Familiar with UK market and regulations
- Define test procedures
- Collate test metrics

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Cameron Glover
