Dear Parker Crist,

I am excited to be applying for the position of testing analyst. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for financial and operational data analysis that includes assessments of trends and identification of potential variance drivers.

Please consider my experience and qualifications for this position:

- Working Experience/Business knowledge of the Siebel CRM suite and SFDC applications
- Exposure and understanding of the Tag Management Solutions (GTM, Ensignten, Tealium) and tag implementation is preferred
- Strong working knowledge of Microsoft Word, Excel and Power Point and Visio (or similar database management application)
- Prior testing and use case development experience
- Prior experience with SQuIDS testing database
- Knowledge of Medical Records Management system
- Own Testing Projects assigned independently
- Analyze the BRDs, SRSs and come up with Test Strategies, Estimations and Test Scenarios/Cases

Thank you for your time and consideration.

Sincerely,

Blake Collins
