I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- BA in business, statistics, mathematics, or other quantitative discipline
- BIX (Extract)
- Knowledge of PBM/healthcare environment preferred
- Willingness to work a flexible schedule, be on call to accommodate project deadlines
- Experience on Performance Tuning
- Basic knowledge of SQL, Oracle DB Architecture and Data warehouse Models
- Manage testing efforts according to standard project frameworks
- Performance Test Planning

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Denver Pfeffer
