

Testing Senior Manager Cover Letter

519 King Walk
Lemkeport, SD 55689

Dear Spencer Doyle,

I would like to submit my application for the testing senior manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for gCP support for the test automation platform, feature development, bug fixes, unit and functional testing, test automation.

Please consider my experience and qualifications for this position:

- CRCM, or CAMS, or CIPP certification
- Highly analytical, forward thinking, with excellent conceptual skills
- High proficiency with Adobe Target, Dynamic Yield, Optimizely or other tier 1 testing tool
- Proficiency with Adobe Analytics and Ad Hoc Analysis
- Proficiency with statistics to ensure appropriate sample size and winner confidence
- Fantastic presentation skills and excellent written and verbal communication skills
- ITIL certification and/or PMP certification preferred
- Lead stress test execution for TBSM

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Landry Stanton
