

# Testing Senior Manager Cover Letter

773 Chris StreetPatrinaland, AL 74922

**Dear Indigo Schmeler,**

I am excited to be applying for the position of testing senior manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for leadership, mentoring and oversight of the various automation and onboarding projects Testing through the IT PMO.

My experience is an excellent fit for the list of requirements in this job:

- Robust knowledge of tools or technologies referenced in job summary
- Thorough understanding of quality assurance processes, methodologies and existing system capabilities
- Thorough understanding of database schemas and querying tools
- Proficiency in Microsoft Office Suite of applications (Word, Excel, Outlook,Power Point)
- Knowledge of the HP ALM and/or TestRail
- Advanced knowledge of Charter products and services (Portals)
- Provide leadership and people management for a team of highly skilled penetration testers
- Co-ordinate with key business stakeholders to raise awareness on security assessment requirements

**Thank you for considering me to become a member of your team.**

Sincerely,

Phoenix McDermott
