

Third Party Management Cover Letter

80593 Ozzie LoafNew Mariette, KS 33942

Dear Emerson Kuhlman,

Please consider me for the third party management opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for guidance and counsel to business unit management and senior management to ensure effective risk and control processes and practices that are in compliance with bank and regulatory requirements.

Please consider my qualifications and experience:

- Support on production of MI / reporting to be used in senior management meetings
- Provide Third Party Risk Management support on APAC specific requirements such as legacy contract migration and rollout to further entities and countries
- Understanding of the financial services industry and procurement/vendor risk management
- Willingness to challenge the current operating environment highly motivated to proactively take on initiatives to deliver change throughout the Division
- Prior experience in the management of 3rd party Transportation contractors is critical
- Big Picture Mindset
- Experience in compliance, risk or auditing preferred
- Strong compliance knowledge and understanding of regulatory agency regulations and requirements and interpretation and application re

Thank you for taking your time to review my application.

Sincerely,

Lennon Hauck
