

Third Party Management Cover Letter

90947 Nader GreenSengerhaven, MD 92747

Dear Blake Pacocha,

I am excited to be applying for the position of third party management. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for support to the Medicare Integrated Compliance team to ensure compliance with the Third Party Risk Management (TPRM) framework and standards to ensure that controls in place surrounding data protection, privacy, and access (among other areas) are compliant with CareFirst standards and risk appetite.

Please consider my experience and qualifications for this position:

- Be a subject matter expert on ExtraHop
- Knowledge of information security policies and regulatory controls
- Knowledge of current trends and developments in information security
- Strong project management, written communication and documentation skills
- Understanding of basic cloud computing and "as a service" concepts
- Bachelor or master student enrolled in Life Science, Engineering, Finance or a comparative field
- Excellent communication and negotiation skills in English and German
- Experience in risk management, audit, assessment and/or internal controls

I really appreciate you taking the time to review my application for the position of third party management.

Sincerely,

Tatum Bartoletti
