

Third Party Cover Letter

475 Randa CrestKileystad, VA 84413

Dear Morgan Upton,

In response to your job posting for third party, I am including this letter and my resume for your review.

In my previous role, I was responsible for ongoing training to Card Marketing business partners, specific to all aspects of the third party risk management process.

My experience is an excellent fit for the list of requirements in this job:

- Demonstrated experience in leading, and coordinating, global teams
- Sound knowledge of internal controls industry standards such as COBIT, COSO and ISO 27002
- Sound understanding of concepts and terminology in security domains including governance, risk management, architecture, compliance, and operations and able to express them in a clear and concise manner
- Expertise in documenting concepts intended for technical audiences
- Able to manage multiple projects simultaneously, set priorities and meet deadlines
- Understanding of infrastructure and network security controls
- Experience using a POS system and understanding preferred
- Excellent understanding of domestic carrier processes with an emphasis in Small Parcel

Thank you for considering me to become a member of your team.

Sincerely,

Zion Torp
