

# Trade Management Cover Letter

4899 Monahan ForksDennahaven, SD 43817-0169

**Dear Quinn Larkin,**

In response to your job posting for trade management, I am including this letter and my resume for your review.

In my previous role, I was responsible for support to markets on product actions, sharing best practices and lessons learned from other markets on cash back, travel, and co-brand products.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience in valuation modelling, trading strategies
- Working knowledge of Spring, iBatis
- Previous experience in a Middle Office/fund management role desirable
- Proven track record in the full development lifecycle for small to large-scale systems
- C#.Net (MVC, WPF, AngularJS)
- Jboss JBPM & Drools
- XML processing in Java – XMLBeans,SAX/DOM
- Knowledge of industry regulations (EMIR /MIFID) / experience preferred

**Thank you for your time and consideration.**

Sincerely,

Reese Tremblay
