

Traffic Specialist Cover Letter

846 Mills Mountain North Carolton, AK 19778

Dear Riley Gerhold,

I would like to submit my application for the traffic specialist opening. Please accept this letter and the attached resume.

Previously, I was responsible for training in the methods and procedures of system tools and other various traffic safety applications, data analysis and automation applications.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of SQL and/or Microstrategy
- Understanding of marketing attribution modelling
- BS in Business or equivalent preferred
- Experience working with Filemaker or other project management tools
- Able to provide recommendations for streamlining processes and systems based on previous experience
- Able to communicate effectively in English and Bahasa Malaysia
- Familiarity with Oracle system will be an added advantage
- Knowledge of the Traffic System sales automation software

Thank you for taking your time to review my application.

Sincerely,

Greer Schoen
