**Dear Cameron Lesch,**

I submit this application to express my sincere interest in the traffic specialist position.

In the previous role, I was responsible for strong functional and technical knowledge and support of Network and Local Ad Sales, Research and Traffic functions, processes and platforms.

My experience is an excellent fit for the list of requirements in this job:

- Experience with workflow/project management tools
- Consistently demonstrates problem solving skills and taking initiative to resolve problems with little or minimal intervention from management
- Serves as a subject matter expert and provides guidance to the team
- Detail & Solution Oriented - proven track record of accuracy
- Positive, confident and team oriented attitude
- Working knowledge of print production and computer skills using Microsoft Office Suite, Web browsers, some knowledge of Design and other applications
- Basic knowledge of DreamWeaver (or other HTML editing systems) and aptitude for HTML
- Deadline and goal oriented flexible

**Thank you for taking your time to review my application.**

Sincerely,

Reese Braun
