

# Travel Retail Cover Letter

63636 Gayle Turnpike West Malka, ID 99818-1836

**Dear Onyx Von,**

In response to your job posting for travel retail, I am including this letter and my resume for your review.

In my previous role, I was responsible for synthesis and packaging of results (e.g., Excel data manipulation, client-ready PowerPoint slides).

Please consider my qualifications and experience:

- Works effectively in ambiguous situations and on cross-functional projects
- Outstanding written and verbal communication skills in English language
- Experience in customs import, & HP registration related regulations preferred
- Excellent retail sales analysis and analytical skills
- Strong negotiator with a proven track record of success
- Command of retail math analytics & working knowledge of financial metrics
- Solid product aesthetic and sensibility and commercial acumen
- Dynamic presence with business partners at all levels

**I really appreciate you taking the time to review my application for the position of travel retail.**

Sincerely,

Dakota Hand
