

Treasurer Cover Letter

5741 Collier ForksLake Williemaeshire, RI 22479-3791

Dear River Dare,

Please consider me for the treasurer opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for leadership working across the business to proactively manage the credit and collections function maximizing receivable collections and improving working capital management.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Responsibility for the team that manages the NatWest Markets (NWM) Treasury infrastructures
- People management responsibility for the RBSI Treasury team
- Willingness to meet jobs time requirements
- Interest in supporting the Association's goals
- Willingness to participate in leadership development activities
- Design, structure, and "own" quantitative and qualitative analyses
- Quickly synthesize and interpret data and develop frameworks and insights to address key strategic, process, or organizational changes (current and future states)
- Identify major issues and actionable opportunities, design solutions, and quantify potential bottom-line financial impact across workstream

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Casey Konopelski
