

UI / UX Cover Letter

2809 Stroman CornerStokestown, AL 29133

Dear Denver Luetzgen,

I would like to submit my application for the UI / UX opening. Please accept this letter and the attached resume.

Previously, I was responsible for or supervise wireframe mock-up creation or prototype for all menus, HUD and feedbacks.

My experience is an excellent fit for the list of requirements in this job:

- Experienced in Mobile UI/UX and Web Service UI/UX design
- Experienced in the application of user-centered philosophies and interaction design best practices
- A strong background in creating wireframes, storyboards, user flows, and mockups, with a strong portfolio and excellent design aesthetics
- Proficiency in Adobe CS and other design tools
- Up-to-date knowledge of the latest UI trends, techniques, and technologies
- Experience in designing mobile apps
- Experience in working in agile development processes, Scrum
- Mastery of the Adobe Creative Suite CS5 and above (particularly Photoshop and Illustrator)

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Gray Stanton
