

UI / UX Cover Letter

790 Jere Fort Jacquelinemouth, NH 86221-4279

Dear Peyton Hodkiewicz,

I would like to submit my application for the UI / UX opening. Please accept this letter and the attached resume.

Previously, I was responsible for design leadership and innovation opportunities through engaging with colleagues from other teams to ensure that a Design Thinking /Research approach is understood, adopted, internalized and effectively leveraged.

Please consider my qualifications and experience:

- Front-end routing, consuming JSON-based RESTful APIs, client-side templating
- Extensive knowledge of Sketch, Illustrator and Photoshop
- Good experience designing web portals and web applications
- Know web/ mobile technology and their impact on the feasibility of design
- Fluent in Adobe Suite and InVision
- Experience creating workflow applications and/or data visualization is preferred!
- A good understanding of basic UX/UI principles and responsive design
- Be a great team player and have hunger to learn while working

Thank you for taking your time to review my application.

Sincerely,

Skyler Marvin
