

Unified Communications Engineer Cover Letter

762 Hessel RanchSwaniawskiport, KY 93227-8284

Dear Campbell Medhurst,

I am excited to be applying for the position of unified communications engineer. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for on-net calling between Emerson sites globally, SIP gateway breakout, SIP URI calling and Expressway Support for Jabber.

My experience is an excellent fit for the list of requirements in this job:

- Deep knowledge of Cisco Voice Gateways
- Deep knowledge of Communications Protocols (G.711, G.729, SIP, H.323)
- Demonstrated experience engineering and supporting Unified Communications solutions
- Deep Knowledge of Cisco Telepresence Server and Video Conferencing
- Deep Knowledge of Cisco Telepresence Management System
- Deep Knowledge of Cisco Expressway technologies
- Deep Knowledge of Jabber Voice
- Deep Knowledge of Cisco Jabber Instant Message & Precense cloud based services

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Zion Bins
