

Unit Nurse Cover Letter

4625 Bruce Trafficway Trudiefurt, RI 71527-3134

Dear Lennon Jacobson,

Please consider me for the unit nurse opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for treatment of acute problems for medical oncology patients.

Please consider my qualifications and experience:

- State Certified Nursing Assistant or 6 months experience
- Identifying and recommending process improvements to business units
- Admits, discharges, and transfers patients based on physician's orders
- Demonstrates knowledge and understanding of National Patient Safety Goals, and the policies and standards of accreditation entities including but not limited to Joint Commission, DMH, DHR, and CMS
- Implement the nursing process for medical and surgical pediatric patients requiring intensive monitoring and nursing interventions in our 5 bed PICU
- Creates a work environment that promotes employee development, competency, and work force retention within assigned areas
- Manages, coordinates, and controls the department(s) resources according to established guidelines and in compliance with all regulatory bodies, balancing customer interest with financial requirements
- Participates in the development of policies in keeping with patient safety principles & implements changes utilizing appropriate channels

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Sawyer Runolfsdottir
