

Unit Nurse Cover Letter

703 Javier Tunnel New Alishire, SD 32958

Dear Phoenix Emard,

I submit this application to express my sincere interest in the unit nurse position.

In my previous role, I was responsible for continuity of care to patients throughout various stages of treatment on.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Burn or Wound experience
- Burn and Wound experience
- Demonstrates developed assessment skills
- Utilizes patient/family input and goals in planning plan of care
- Identifies patient and family learning needs and makes recommendations to resources regarding those needs
- Incorporates AACN Synergy Model into clinical practice
- Delegates appropriately utilizing the Synergy model of care
- Functions as Charge Nurse when assigned

I really appreciate you taking the time to review my application for the position of unit nurse.

Sincerely,

Phoenix Beahan
