

Urban Designer Cover Letter

35371 Hong Crescent Bogisichmouth, MT 07285

Dear Emerson Berge,

I would like to submit my application for the urban designer opening. Please accept this letter and the attached resume.

Previously, I was responsible for analysis services of business problems balancing the trade-offs across performance, cost and time, making recommendations for resolutions.

Please consider my experience and qualifications for this position:

- Technical knowledge of all home textile products, including construction details & material specifications
- Strong organizational skills, as this job requires multi-tasking on many levels
- A proficient understanding of CAD patterns & repeats
- Technical knowledge of home hard goods product including furniture, lighting, decorative accessories, hardware and kitchen accessories
- Highly proficient in Adobe InDesign Creative Suite on a Mac Platform
- Excellent hand sketching and CAD skill in Illustrator and Photoshop
- Comprehensive knowledge and understanding of overseas printing processes and all creative techniques in relation to silk screening, embroidery, flock, foil, embellishment and washing, dying treatments
- Experience developing original textile prints

Thank you for taking your time to review my application.

Sincerely,

Gray Nolan
