

Urban Designer Cover Letter

15934 Grimes TrailBeckerton, RI 79566-7131

Dear Robin Schmidt,

I am excited to be applying for the position of urban designer. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for material take-offs for bulk commodities (Cable, Conduit, Cable tray & fittings etc.) from completed engineering documents.

My experience is an excellent fit for the list of requirements in this job:

- Technical knowledge of print design and textile techniques, dye types, and fabric qualities
- Strong hand-painting and drawing skills to create original designs
- Working knowledge of formulating color palettes
- Working knowledge and understanding of apparel construction
- Working knowledge of product cycles
- Strong portfolio of realised work which demonstrates excellent technical capabilities and strong attention to detail
- Proficiency in AutoCAD documentation work packages is preferred
- Proficiency in Adobe CS2 and Microsoft Office Suit

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Robin Mills
