

User Acceptance Testing Cover Letter

48890 Quigley RestRosenbaumton, MT 28954

Dear Riley Franecki,

Please consider me for the user acceptance testing opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for leadership for the UAT capability across multiple locations ensuring that this does not impact delivery time or quality.

My experience is an excellent fit for the list of requirements in this job:

- Planning in a monthly Agile release environment
- Knowledge of HP-ALM, Rally, SQL & Testing Tools
- Working and maintaining a close relationship to clarify requirements with both CMS/ Email Teams and Product owners ensuring a quick testing turn around
- Contribute towards continuous improvement of the UAT testing framework
- Produce and report out test metrics
- Assist in the creation and sign off of robust test plans to ensure quality is maintained
- Analytical and strong excel user (Pivot/Macros/Graphs/v-look ups)
- Strong communications - verbal, written and presentation skills

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Reese Morissette
