

User Acceptance Testing Cover Letter

71749 Robin Island East Liberty Chester, AK 38236-1787

Dear Max Legros,

In response to your job posting for user acceptance testing, I am including this letter and my resume for your review.

In the previous role, I was responsible for guidance, training and mentorship on the business impact of the systems supported, technical systems design, development of best practices, and IS processes and tools.

My experience is an excellent fit for the list of requirements in this job:

- Possesses strong project management/coordination skills
- Experience with Application Lifecycle Management (ALM) preferred
- Mortgage or related lending experience preferred
- Knowledge of the project development life cycle
- Apply appropriate THP standard Project Management tools and documentation to meet company standards
- Able to prioritize competing issues, tasks and projects in a high-pressure environment
- Strives for continuous improvement for professional self and the organization
- Professional and situational appropriate behaviors when dealing with prospective and current vendors and clients as necessary for assigned projects

I really appreciate you taking the time to review my application for the position of user acceptance testing.

Sincerely,

Baylor Wiza
