

User Architect Cover Letter

6176 McClure CornersLake Mariano, AR 77977-0898

Dear Zion Rosenbaum,

I am excited to be applying for the position of user architect. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for industry and domain specific architectural best practices, perspectives and consultation to business and IS/IT leadership.

Please consider my experience and qualifications for this position:

- Healthcare knowledge and experience, recommended
- Knowledge of clinical and physician workflows, recommended
- Demonstrable experience in many disciplines of information technology with emphasis on
- Knowledge of Citrix environment and fat client systems
- Has a proven successful track record
- Thrives in dynamic environments
- Strong domain knowledge of End User Computing
- Experience of leading EUC bids for large enterprise customers

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Justice Sawayn
