

User Experience Analyst Cover Letter

878 Wehner MountNorth Candisbury, MO 04010-2354

Dear Alexis Turner,

I am excited to be applying for the position of user experience analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for input into and / or develop relevant policies, procedures and / or work tools to support OMEGA process.

Please consider my experience and qualifications for this position:

- Should possess knowledge of graphic design software and tools such as Adobe CS4/5, 3DStudio Max, Maya, Flash, Photoshop, Illustrator, Flex, Dreamweaver, HTML, DHTML, XHTML, CSS, Javascript, and equivalents
- Competent in information visualization
- Working knowledge of information architecture
- Deep understanding of the UX process/techniques needed to successfully develop user centered solutions
- Highly skilled in critical thinking, effective project leadership and communication, able to meet intense deadlines with creative and usable solutions that meet customer need
- Bring it!
- Experience successfully leading projects resulting in extraordinary customer satisfaction
- Able to successfully work on three or more projects at a time

I really appreciate you taking the time to review my application for the position of user experience analyst.

Sincerely,

Oakley Ernser
