

# User Interface Designer Cover Letter

93703 Mann UnionPort Amira, MA 81442-0257

**Dear Frankie Dickens,**

I am excited to be applying for the position of user interface designer. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for insight and user interface design best practices across a variety of digital initiatives.

Please consider my qualifications and experience:

- Solid knowledge of the requirements of the creative process including typical time and resources needed to produce quality work with efficiency on time and to specification
- Extremely well organized, able to think beyond what is asked for, and able to multi-task projects and competing priorities in a fast-paced, often evolving environment (even if it's always sunny outside)
- Bachelor of Fine Arts in graphic design, or a related design discipline
- Organized, able to think beyond what is asked for, and able to multi-task projects and competing priorities in a fast-paced, often evolving environment (even if it's always sunny outside)
- Occasional domestic and/or international travel
- Bachelor's in graphic design or a related design discipline
- Knowledge of IOS and Android interfaces and platform specific UX functionality (Mobile, Responsive)
- Game development knowledge (Unity3D, Unreal )

**Thank you for your time and consideration.**

Sincerely,

Emery Stokes
