

# Utility Operator Cover Letter

5381 Gleichner LakesBeattybury, ME 47665

**Dear Shae Veum,**

I would like to submit my application for the utility operator opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for feedback to the various support groups in Tech Resources to maintain the efficiency of all systems and related software products in theDataCenter.

My experience is an excellent fit for the list of requirements in this job:

- Monitor and operate high hazard equipment and facilities, OSHA PSM
- Perform practical maintenance activities, as qualified
- Safely cleans, stores and assembles all CMTI and client mills and any of the associated equipment assigned to a specific product after processing
- Organize and maintain proper levels of inventory of associated parts for all mills, scales, heat-sealers
- Safely carry out all duties in line with the procedures and policies set forth by MTI
- Troubleshoot and perform basic repairs of systems and equipment as outlined in MTI, cGMP and client requirements
- Complies with all associated CMTI Safety Rules, Regulations and Policies
- Minimizing process delays and quality incidents

**Thank you for taking your time to review my application.**

Sincerely,

Phoenix Robel
