

Utility Operator Cover Letter

9563 Mitzie Expressway Craigberg, AZ 78909-3197

Dear Sawyer Rolfson,

I submit this application to express my sincere interest in the utility operator position.

Previously, I was responsible for general housekeeping and rubbish removal during the shift as needed. May be required to perform shipping and receiving at the loading dock and entering information into DFCl receiving Department's computer database. May be required to deliver packages to the designated areas and forwarding the associated paperwork to DFCl receiving department. Responsible for cleanliness and set up of all Audio Visual equipment and other supplies.

Please consider my qualifications and experience:

- Experience operating mobile equipment
- Be able to perform all physical requirements of the job and work in a safe manner
- Willing and able to perform repetitive tasks for extended periods of time, lifting, walking, climbing, stooping, standing, pushing, and/or pulling
- Willing and able to work collaboratively with others in a fast-paced environment
- Industrial Technician Certification
- Capable of continuous mental and visual attention on typically repetitive work or diversified operations requiring constant alertness or activity
- Physical effort consisting of lifting or moving light weights frequently, average weight occasionally and heavy weight rarely
- Use of judgement to plan, perform and make decisions to support production goals within the cell

Thank you for your time and consideration.

Sincerely,
